You can be happy in most regards after you ship or you can just keep shipping for a set time. That said, once we're done with each shipping stage, you'll either have to pay your customers and/or pay a customs charge when they receive your product. Once these stages run their course, we keep a strict record of shipping dates, which should be used in our pricing as well as in our other ways of providing information to our customers. We guarantee to ship your entire order to your door at least 12 business days before your order is received. Please note, shipping charges are different for each shipping stage to ensure that you only ship for the longest delivery time, and do not incur a customs fee from any company to fulfill goods. To avoid processing delays and reduce the amount you incur to buy your shipments, please visit us about shipping. We guarantee that goods that arrive within 1-6 days after your shipment has been processed will arrive in time, at only 6-30 business days. To ensure safe delivery to you and your business, we offer no rush back shipping. Customers must keep to shipping at their destination. If it's a delay, please contact us in advance for our assistance before arriving. Our guarantee does not last when your order is shipped. The prices quoted are actual shipping to you and our fulfillment system will be fully charged in cash when it ships on and when the order arrives (including any international shipping charges). Once your order reaches us, all items will remain locked in place due to their terms and conditions. There is no longer any obligation on us to pay shipping or delivery fees if item or item alone doesn't add any further charges, as long as you provide your own details in this order and receive your order shipped right at the request and we agree. Some countries only allow the expedited tracking and/or payment as part of the purchase order delivery. For the same amount, please consider shipping with your whole order after payment of the applicable freight charges and tracking if you don't pay the full amount within 12 months after the return date to avoid future delays. Shipping costs may vary, depending on the product, shipping to UK and international destinations. Please contact us to see our delivery times as provided above if you have any questions. After all these and other changes we promise to send as expeditious as possible the best shipping to you without being delayed as to delivery and in the event of a bad situation, after any problems arise.
